Advanced Institute for Skills Development

COURSE DESCRIPTION

This course is appropriate for participants who seek to develop new English language skills (especially speaking fluency, vocabulary and pronunciation).

Participants will improve and enrich their English knowledge in selected aspects of the language and as a means of communication in class and in everyday situations. Furthermore, we intent to update and deepen the understanding of teaching methodologies and practical teaching skills and techniques.

The course focuses on practical classroom activities and resources, providing participants with a refreshing variety of teaching techniques.

Course objectives: it aims to provide educators with opportunities to revitalize their English knowledge (beginner level), as well as reinforce their confidence on using and speaking the language. As a result of attending this course, the participants will be more knowledgeable, confident and fluent English users.
