COURSE DESCRIPTION

“Getting students to talk’ is the major and one of the most difficult tasks confronting any teacher of languages.” – Professor Christoph N. Candlin.

This course is appropriate for English teachers who want to enrich their teaching practice by being in touch with ideas that will motivate students to communicate.

The course focuses on practical classroom activities and resources and will provide participants with a refreshing variety of teaching techniques for the classroom.

Course objectives: This course aims to provide our participants (especially English teachers) with opportunities to refresh their methodology as well as sharing ideas on teaching practice and gain confidence in their own teaching methods.

As a result of attending this course, the participants will feel more knowledgeable and confident in their daily actions once all the activities are directed to motivate students to communicate.
