# COURSE DESCRIPTION

This six-day English as a Foreign Language (EFL) immersion course is designed to provide participants with intensive language practice and skills development in English.

Through interactive sessions, communicative activities, and practical exercises, participants will **enhance their proficiency in listening, speaking, reading, and writing**, while also gaining insights into the English language and culture.

This course is suitable for individuals who have a basic, intermediate understanding of English and want to improve their language skills for personal, academic, or professional.

Participants will improve and enrich their English knowledge in selected aspects of the language and as a means of communication in class and everyday situations.

The course focuses on practical classroom activities and resources, providing participants with a refreshing variety of teaching techniques.

This course aims to provide educators with opportunities to reinforce their English knowledge (B Level), as well as their confidence in using and speaking the language. As a result, participants will be more knowledgeable, confident and fluent English users.
