COURSE DESCRIPTION

Schools are complex organizations of structures and cultures reflecting the values of those who lead and work in them. Your staff, as individuals, have different skills, different ideas and different ways of working. Managing people involves dealing with life choices, human emotions and developing a greater level of personal effectiveness.

Effective school team management strengthens leadership, improves teaching, learning and increases job satisfaction. With this course you'll be able to:

- Learn some essential strategies for managing individuals and teams, leading and enhancing team performance through delegation, coaching, effective prioritisation and able decision-making;
- Become more confident and gain essential people management skills to motivate and inspire performance in your school/training center/organization.

Course Objectives

Handle the key factors that will ensure productivity, engagement, and growth, as well as a leader's role in building trust, removing roadblocks, nurturing connections with team members and setting clear goals. It is designed to enable leaders to reflect on the importance of teams in operations, leadership and management; to foster people development, reward and motivate individuals and nurture talent. Furthermore, it will also help Identify and implement strategies to increase i) teams' effectiveness and impact, ii) team working in delivering the organisation's vision.
